### **SUBSTITUTION (FILL-INS) BY-LAW**

#### **Policy:**

It is the policy of the club that all fixtures shall be contested by full teams, to preserve the integrity of the competition and to provide all players with a full program of matches. All individuals are asked to be mindful of the best interests of their own and opposing teams, and in the event of being unavailable for a fixture or fixtures, please ensure that appropriate and timely notification is given.

#### **Substitutes:**

It is the responsibility of the player or the appointed captain of each team, to arrange substitute players in the event that one of the regular team members is going to be absent from a fixture match. If all attempts to arrange a substitute have failed, the secretary must be notified at the earliest opportunity.

#### **Eligibility:**

A substitute should be of lesser or comparable ability to the player they are replacing and a current player with a bye can replace an absent player of the same or higher ranking in that division. In addition, a No.3 player from the next grade may fill in for an absent No.1. A player whose current average is no more than 10% higher than an absentee may fill for an absent player of any category.

Players from one team may not play for another team in the same division on the same night, unless circumstances arise where there are no substitute players available, upon agreement by both teams and with the approval of the night controller. Results for such matches/rubbers may be subject to review by the Tournament Committee.

The substitute player is limited to playing only 1 (one) doubles rubber in a team's match. A substitute player may not play for another team in which the result may have an immediate conflict of interest in the overall outcome.

If none of the afore-mentioned qualifications are met and a team wishes to use a substitute player of higher ability than the player they are replacing, this will be permitted only if the opposing captain agrees to the proposed arrangement before the commencement of the match.

In the event of a dispute over the eligibility of a player, the secretary or a designated committee member with special responsibility for fixture and team matters will be called upon to arbitrate, and in the absence of either of those parties, the committee person on duty on the night may make a decision which shall be binding.

If no eligible substitute player is organised, then the matches involving that player will be forfeit to the opposing team as far as results are concerned.

Please try members of the team with the bye first, when looking for a substitute. Alternatively, the players on the fill-in list may be prepared to act as substitute players.
