\$45 PP INC. LUNCH

SESSION 1: 9AM-12:15PM

SESSION 2: 1:00PM-4:00PM

START YOUR TABLE TENNIS JOURNEY...

Q and A

What is the ANDRO Team Cup?

The ANDRO Team Cup is a table tennis tournament for juniors 15 and under. Each child represents their club in a team of four to play against teams from South East Queensland. There will be 72 players in total, forming 18 teams.

How will the event run?

The tournament is split into two sessions: team matches from 9 am to 12:15 pm and singles from 1:00 pm to 4:00 pm. Players are grouped into divisions to ensure they face others at a similar skill level. The match format will be finalised closer to the date to allow as much playing time as possible.

Who is ANDRO?

ANDRO is a German brand that makes table tennis equipment like rubbers, blades, and clothing. They are trusted by both professional and beginner players. ANDRO sponsors the event and provides prizes. For more information about equipment, contact Patrick at patrick@tabletennis.net.au.

Why is this tournament different?

- **Participation:** The event is about taking part and gaining experience, not just winning. It aims to let all children play as much as possible without long waits.
- **Community:** The tournament helps parents and players from different clubs meet and make friends. Players' lunch is included in the entry fee and we encourage Teams to enjoy their meal together.
- **Structure:** The event is organised into half-day sessions to fit busy schedules. With set start and end times and planned matches, families can easily manage their day.

How to register:

Your club will register the teams and players. All that is required for the registration is the below information **by 26 July 2024:**

Player Name: _____

DOB: _____

Contact email: _____
